MEMORANDUM

TO: Teachers Interested in Reviewing Textbooks

FROM: Morgan Branch, Director, Textbook Services

DATE: November 5, 2010

SUBJECT: Application Process

Thank you for your interest in participating in the textbook review process. Upon approval of the proposed budget, the State Textbook Commission will be contracting with teachers to review materials for

Visual Arts, Music, Theatre Arts, Dance, Spelling, Literature, Driver Education, Computer Science, Health Sciences Education, Business Technology, Marketing Education, Technology Engineering Education, Trade & Industrial Education

We will be contracting directly with teachers. The application process will be open to any teacher who meets the statutory requirements (now teaching or supervising the respective subject, proper endorsement, and three or more years of public school experience) for serving on the local adoption committee. The Application is attached. **Please complete all forms**. There is a Form I subject listing for each area.

The Commission expects to use approximately thirty-three teachers for the review process which lasts from June through July. One member of the committee will return in September for a two day meeting. Reviewers will be paid between $1000 and $2000. Expenses for approved travel will be paid in accord with state travel regulations. Reviewers are also usually allowed to keep the materials reviewed.

The committee appointed to select the reviewers is scheduled to meet in early January. Teachers interested in applying should complete and return the attached application, including a notarized copy of the accompanying oath, to this office by **4:30 P.M., January 24, 2011**. Reviewers selected will be notified mid **February, 2011.**

An orientation session is scheduled in the Nashville area for **June 13-17, 2011**, and a debriefing session **July 25-29, 2011**. Reviewers will independently examine books in the interim between these sessions. Also a representative from each committee will meet with the publishers on **September 12-13** to hear their responses to the consensus reviews developed during the debriefing session. Any requests for time away from classes during your regular school year will be minimal and, of course, subject to local approval. The state will pay for substitute teachers during the time you are away from your classroom for this process.

We appreciate your interest in the process and look forward to receiving your completed application. If you have questions, you may contact Morgan Branch at (615) 253-3160 or Valerie Starks at (615) 253-4348. You may also reach us at the following address:
